ORIENTATION

When a student applies to our program, they are referred through recruiting to complete a formal interview, an ems pre-testing assessment, and a lift test. In addition, students must provide proof of immunizations to begin the program.

Immunizations, background check, TB test, and urine drug screen must be submitted to LSTI before the first day of class.

BACKGROUND CHECKS AND DRUG SCREEN

Students must pass a criminal history background check and urine drug screen to be admitted into the program.

CONTRACT OPPORTUNITIES

Life Support Training Institute partners with EMSEmployment.net to bring training opportunities to employees of Beaumont Mobile Medicine, DMCAre Express, and Community EMS.

*EXPIRY DATES

The tuberculosis test must be valid within the past twelve months. Ten-panel urine drug evaluation must be recent within sixty days. Criminal history must be current within the past twelve months.
